

Your Time is NOW.

Did the lockdown make it hard for you to get your HIV or any other chronic illness treatment?

We understand that it may have been difficult for you to visit your nearest Clinic to get your treatment. The good news is, your local Clinic is operating fully and is eager to welcome you back.

Make 2021 the year of good health by getting back onto your treatment today and live a healthy life. It's that easy.

Your Health is in your hands.

Our Clinic staff will not turn you away even if you come without an appointment. Speak to us Today!
